DUO 93010 Barista Style - Turkish Coffee -

Our DUO 93010 is a classic Arabica Robusta blend combined with 10 % micro ground Brazil coffee from the Rio Minas region.

Micro grinding opens up an even finer and intensive coffee enjoyment.

The higher roast degree delivers a great bitterness and a pronounced body with a long lasting aftertaste.

Flavour wise you can expect a harmoniously balanced cup that has a typical strong turkish coffee aroma.

Use one teaspoon (1,8 g) of freeze-dried Turkish coffee to a small mocha cup. Add hot water (around 60 ml), if desired add sugar, stir. ... and enjoy an authentic and wonderful Turkish Coffee instantly.
